For our International Guests: Welcome Reception at the City Hall and Guided City Tour

Henriette Reker, Mayor of Cologne, invites all newly enrolled international students and scholars to a reception at the City Hall.

Before the reception you have the chance to participate in a guided city tour sponsored by various universities in Cologne and the Kölner Studierendenwerk.

If you want to join the reception and the city tour, send an e-mail to Rathausempfang@kstw.de till the **26 th of September** and write us your matriculation number and your University. Please let us also know your preferred tour language. Thank you!
